

Project Initialization and Planning Phase

Date	29 September 2026
Team ID	SWTID-2026-3580
Project Name	EduGenie: Google Gemini Powered Learning Assistant
Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers.

Customer Problem Statement — EduGenie

I am A student seeking an effective way to learn.	I'm trying to Understand topics, ask questions and practice.	But Topics can be complex, scattered or lengthy.	Because Students need clear AI guidance and structured practice.	Which makes me feel More confident and motivated to learn independently.
